Dear Prof. Saodah WOk

The Program Committee of 2013 8th International Conference on Information Processing and Management is pleased to invite you to attend and/or present your paper(s) in our conference to be held on April 1 - 3, 2013, Seoul, Republic of Korea

As you may know, ICIPM2013 is a premium international conference on all areas related to the Theory, Development, Applications, Experiences, and Evaluation of Networked/Ubiquitous Computing and Advanced Information Management. ICIPM2013 gathers fellow students, researchers, and practitioners from these areas.

In this year, over 400 scholars/researchers from more than 40 countries will participate in 3 workshops and 4 invited sessions touching the various aspects of Networked/Ubiquitous Computing, Content and Multi Media, and Advanced Information Management. ICIPM2013 will be held in Seoul, Republic of Korea. We appreciate your contribution to ICIPM2013 and are ready to manage the publication of your paper titled as 'USE OF SOCIAL NETWORKS SITES (SNS), CAREER SUCCESS AND INFORMATION POWER' in the conference proceedings. If you have any questions or concerns, or if I may be of assistance in any way, please do not hesitate to contact me.
